

WATERSIDE AT COQUINA KEY SOUTH
RULES AND REGULATIONS
REVISED AND RESTATED, APPROVED
AUGUST 20, 2024

The Rules and Regulations hereinafter enumerated as to the Condominium Property, the common elements, the limited common elements, the units and the commonly used facilities available for use by the unit owners within the Condominium (the "Condominium") shall replace all prior versions of the Rules and shall apply to and be binding upon all unit owners, as well as tenants, guests and invitees. The unit owners shall at all times comply with these Rules and Regulations and shall use their best efforts to see that they are faithfully observed by their families, guests, invitees, tenants, and other persons for whom they are responsible or over whom they exercise control and supervision. It is important to understand that, in addition to legal action and the imposition of fines, any misconduct or violations of the Association's governing documents including any rules set forth herein may result in a violation and/or suspension of the use of amenities. Any waivers, consents or approvals given under these Rules and Regulations by the Board of Directors shall be revocable at any time and shall not be considered as a waiver, consent, or approval of identical or similar situations unless such waiver, consent or approval is specifically set forth, in writing, by the Board of Directors (referred to as "the Board").

(ALL REFERENCES HEREIN TO TERMS WHICH ARE NOT DEFINED IN THESE RULES AND REGULATIONS SHALL HAVE THE MEANINGS PROVIDED BY THE DECLARATION OF CONDOMINIUM FOR WATERSIDE AT COQUINA KEY SOUTH ("DECLARATION"), OR THE ARTICLES OF INCORPORATION AND BYLAWS FOR THE WATERSIDE AT COQUINA KEY SOUTH CONDOMINIUM ASSOCIATION, INC. ALL REFERENCES HEREIN TO OWNERS SHALL ALSO INCLUDE TENANTS, RESIDENTS AND OTHER OCCUPANTS AS THE CONTEXT SUGGESTS.)

19. No personal items may be stored or kept in the parking space. Notwithstanding the foregoing, the Association shall be exempt from all the foregoing regulations as to vehicles which are engaged in any activity relating to construction, maintenance or marketing of Units, as are commercial vehicles used by vendors of the Association while engaged in work at the Condominium.

Bicycles

1. Bicycle racks are Common Elements and will be available on an unreserved, first-come basis with no charge for use by the Unit Owners and Residents.
2. All Unit Owners, guests and Residents must register their bicycle. Once registered, the Board of Directors will provide the bicycle's owner a sticker to place on the bicycle's seat post. The bicycle must display such registration sticker at all times.
3. Unregistered bicycles will be removed as set forth below.
4. Unit Owners and Residents may only store/park bicycles (including motorized bicycles) in the racks provided on property, stored in/on the owner/resident's balcony/patio, storage unit or within the condominium unit.
5. Bicycles must be in working condition free of rust or other elements that would otherwise define the bike as junk or derelict.
6. Bicycles in violation of any portion of these rules or those that have been deemed abandoned based on their condition and lack of use are subject to removal without notice. Upon such removal, the Board of Directors will store the bicycle for thirty (30) days. If the bicycle is not claimed within 30 days of the date of removal, the Board of Directors, by and through its designated agent, reserves the right to dispose of the bicycle as it deems fit.
7. All bicycles parked in bicycle racks in the common elements of the condominium are parked at the sole risk of the bicycle owners and/or user.
8. Nothing in this resolution shall be construed to hold the Association or the Board of Directors responsible for damage to a bicycle or the loss of property from bicycles parked on the Common Elements.
9. Neither the Board of Directors nor an authorized agent shall be liable for any loss, damage or expense that may be suffered or sustained in connection with use of the bicycle racks or enforcement of the rules and regulations governing the bicycle racks.

Mopeds, Golf Carts, Motorcycles and other motorized vehicles.

1. Vehicles may park in authorized automobile parking spaces only.

4. All guests/visitors/contractors must register their vehicles with the attendant at the gatehouse and obtain a parking permit.
5. All residents are allowed no more than (4) guests per unit within a 24-hour period unless they make prearrangements with the Management Office and the guards.
6. Guest/visitor/contractor parking permits must be displayed at all times.
7. Unregistered vehicles/ vehicles without a valid parking permit may be towed (at owners expense) without notice.

Video Surveillance

1. Access to video surveillance records shall be secured and restricted to the Board of Directors or designated representative. Video surveillance footage shall be viewed by board members or designated representative, only in response to an event that has occurred, including but not limited to property damage, vandalism, theft or injury. If access to video surveillance is required for the purpose of a law enforcement investigation due to criminal activity or potential criminal activity, video surveillance will be reviewed by the Board or designated representative, and pertinent footage related to the investigation will be provided to the police. No video shall be published on the internet. Archived video records shall be stored only for investigative or legal purposes, and shall be stored with the Association's lawyer, property manager, or with the permission of the Board may be provided to an outside counsel.
2. Fees to cover the cost of providing video records shall be charged to the homeowner who has requested such records.
3. The duration of historical data available is limited to the specific device drive capacity. Requests for recorded data must be made within three (3) business days of knowledge of a specific event and should be limited to a specific date range and time. The Association does not warrant that the equipment will be functioning and recording 100% of the time. There will be times when the cameras are down for maintenance, service, or repair.
4. The Association has no desire or intention to retain video recordings except as required for investigations or evidence. In normal operating conditions, video surveillance footage will automatically be erased or overwritten by the recording device when capacity of the device has been exhausted, which is approximately 14-days. Specific records relating to evidence or investigations, which must be retained, will be copied onto portable media, (e.g., CDROM/DVD or other portable device), and stored for as long

as required, based on the investigation type. Records requiring long-term retention will be turned over to the Association's lawyer or property manager for storage and security.
